PRAYING FOR THE CURE

Is a divinely exciting empowerment breakfast that allows us to honor valiant and courageous "Breast Cancer Thrivers". These resilient women have school-aged children and have experienced financial hardship within the last year while going through their treatments. We will also provide scholarships to 2023 high school graduates, who plan on attending an institution of higher learning, whose mothers have succumbed to breast cancer or has undergone treatment within the past year.

SPECIAL THANKS TO OUR SPONSORS LAMIK • Celebrating Life Foundation Owens Management Systems LLC The Fox Whole Family Foundation Greater Houston Consulting & Tax Service
