

RESOURCE GUIDE

Houston Women's **HEALTH LANDSCAPE:**

CURRENT CHALLENGES AND COLLABORATIVE POTENTIAL

THE WOMEN'S FUND

MISSION

Because health is a resource for everyday life and not just the objective of living, the mission of The Women's Fund is to provide Houston area women, and girls, with the tools they need to be advocates for their health.

TARGET AUDIENCE

Women and Girls in the greater Houston Area

DESCRIPTION OF SERVICES

For over 40 years, The Women's Fund has been educating girls and women in Houston through classes, workshops, lectures, and publications focused on physical, mental, financial, and emotional health. As a non-profit, we target populations with limited access to health information, emphasizing resiliency alongside basic health education. Our Resiliency Skills and Health classes help women and girls cope with challenges by teaching them to view stress as an opportunity for growth, make value-driven decisions, and approach difficult situations in ways that empower them.

BEAR

MISSION

BEAR... Be A Resource is a non-profit organization improving lives by providing hope and help for at-risk and CPS- involved children and their caretakers in the greater Houston Area.

TARGET AUDIENCE

We do only work with case workers, not directly with families.

DESCRIPTION OF SERVICES

We have four main programs. Our BEAR Necessities program serves over 30,000 children year round and provides basic necessities such as clothing, diapers, and hygiene products. Our BEAR Back to School provides school supplies for over 15,000 children throughout Houston. Our BEARing Gifts program provides presents to over 26,000 children during the holidays. Our newest program is the HEart Gallery of Greater Houston, which is a traveling photographic exhibit designed to raise awareness of children involved in foster care and find them forever families. We are always searching for volunteers or individuals willing to host donation drives or one of our Heart Gallery exhibits.

BEAUTY'S COMMUNITY GARDEN

MISSION

Our mission is to close the gap on food inequities and to achieve a community culture of health and well-being

TARGET AUDIENCE

We serve the historic communities of Independence Heights, Acres Homes, and surrounding food desert communities of Houston/Harris County

DESCRIPTION OF SERVICES

Our Food Equity Everywhere program provides garden education to adults and youth through workshops and volunteer hands-on training. Additionally, we are cultivating the young and tender roots of our community through implementation of school gardens. Outcomes of our school garden program include bringing awareness to youngsters of the origin of food, growing an appreciation for fresh produce, and empowering them to be producers by learning to plant and produce their own harvest. Additionally, our Rooted in Wellness program provides chef-driven culturally connected healthy food demos. These recipes introduce healthy ways to enjoy traditional foods as well as the introduction of new recipes utilizing various varieties of seasonal vegetables.

FAMILY HOUSTON

MISSION

Family Houston creates a stronger community for tomorrow by helping individuals and families meet the challenges they face today. Helping others help themselves.

TARGET AUDIENCE

Houstonians in need of support in many ways. Our clients are mostly comprised of ALICE (Asset Limited Income Constrained Employed) neighbors. Our typical client profile is a woman between 18 - 65 years of age that identifies as Hispanic or African-American.

DESCRIPTION OF SERVICES

Family Houston offers mental health counseling to uninsured, underinsured, and insured clients that otherwise lack access to mental health. Additionally, our organization offers basic needs funding support to Houstonians that find themselves in need of occasional housing, utilities, food, and other basic needs. Lastly, we have a financial stability program aimed to provide financial coaching and employment coaching to client's hoping to achieve financial goals with limited funds.

FITHOUSTON

MISSION

Promote health by increasing physical activity in free outdoor spaces and with free wellness programs for improved quality of life.

DESCRIPTION OF SERVICES

They have different initiatives such as

Citywide Health Campaign #WALK30: The citywide #WALK30 health campaign kicked off in January 2023 to create a pathway for CEOs, organizational leaders, families and individuals to “Take the Healthy Pledge” and inspire others to walk for 30 minutes each day.

FitLot Free Outdoor Gyms: Many neighborhoods in Houston have low or no access to gyms to improve strength and conditioning. Fit Houston is creating a network of outdoor fitness parks called FitLots throughout the city.

Healthy City Initiative: Fit Houston is developing a shared agenda around equitable access to free physical activity with partners across Greater Houston.

Community Programs: Our Pop Up Fitness events in the community excite and educate people on the benefits of staying active!

THE NETWORK OF BEHAVIORAL HEALTH PROVIDERS

MISSION

The Network of Behavioral Health Providers (NBHP) was created in 2004 by the United Way of Greater Houston to provide a forum for the leadership of greater Houston's mental health and substance use service providers to come together to work on issues of common concern. The mission of NBHP is to improve the delivery of, and access to, high-quality behavioral health (mental health and substance use disorder) services through education, collaboration, and advocacy.

DESCRIPTION OF SERVICES

The primary objective of Harris County Pathways Community HUB is to promote health equity and address non-medical drivers of health for high-risk Medicaid beneficiaries, Medicaid-eligible, and uninsured adults living with mental health conditions, (or) substance use disorder, (or) who are pregnant or up to 12 months postpartum with behavioral health risk factors by utilizing The Pathways Community HUB Institute's® (PCHI®) evidence-based, home-visitation, data-driven, pay-for-performance model of care coordination.
