

Patrina Johnson

THE PHJ CONSULTING GROUP

ABOUT ME

I'm Patrina Johnson, and I'd like to introduce myself as a capacity building strategist.

I help build the capacity of nonprofit organizations by developing strategic, innovative, and comprehensive solutions to funding challenges, so that they can achieve their goals, expand their impact, and create positive change within their community.

ABOUT PHJ CONSULTING GROUP

The PHJ Consulting Group is a dedicated and innovative firm serving the nonprofit sector.

Through our **Nonprofit Capacity Building Concierge** services, a capacity building strategy boutique, we help nonprofits enhance their skills and knowledge, develop effective fund development plans, and manage grants efficiently in order to achieve their goals, expand their impact, and create positive change within their communities.

MISSION

Our **mission** is to build the capacity of nonprofit organizations by developing strategic, innovative, and comprehensive solutions to funding challenges. This is accomplished in the areas of **capacity building consulting and training, fund development services, and grants management.**

VISION

Our **vision** is to help nonprofits achieve their goals, expand their impact, and create positive change within their communities.
