

Alma Alfred

Alma Alfred is a retired aerospace professional with 24 years of service at United Space Alliance, where she supported NASA's Space Shuttle Program in Mission Integration and Configuration Management. Honored with the NASA Group Achievement Award and recognized as USA's Employee of the Month for Community Service, she is also a dedicated community leader, championing education, cancer awareness, and charitable outreach. A cancer survivor, Ms. Alfred is celebrated for her resilience, leadership, and lifelong commitment to service.
